
1992 EDITORIAL INDEX

AUTHORS

Bankston, Jeff. Documentation Dilemma, The: One Solution. January, p81.

Brackin, Mike, et al. The Pros and Cons of Class A Foam. July, p59.

Brannigan, Francis L. Let's Calm Down the Firefighters. October, p79. Safety at Building Structural Fires. (Training Notebook) February, p14.

Brennan, Tom. Fire Focus: February, p72; May, p54; July, p70; September, p108. Random Thoughts: Case for an Extinguisher, A. April, p102; Continuing at the Rear. October, p124; Cutting Flat Roofs. May, p102; Get the Rear! September, p164; High-Rise Residence Buildings. January, p176; High-Rise Residence Buildings, Continued. February, p94; I'll Just Throw Up a Ladder and Get Them! June, p150; I'll Just Throw Up a Ladder and Get Them, Continued. July, p94; More on Myths. March, p182; More on Stairs. December, p88. Rear of the Fire, The. August, p94; Stairs. November, p96.

Brightmire, Susan. Writing a Local Newspaper Column. (Volunteers Corner) January, p10.

Burkush, John C. and Jim Forrest. Preplanning for Apartment Complex Response. January, p67.

Butler, Edward C. Return to Runway 13-31. September, p43.

Campanaro, Pat and James Winward. Fire in Mill Construction: Breeding Ground for Conflagration. January, p50.

Campbell, James. Fire Department Preparedness: Results of a National Survey. November, p39.

Carlson, Gene P. Firefighters: Community's Information Source. (Volunteers Corner) June, p10. Personnel Accountability. (Volunteers Corner) August, p10. Water Tanks for Apparatus. (Volunteers Corner) October, p10.

Carr, John N. and Leslie P. Omans. Writing Specifications for ARFF Vehicles. June, p85.

Caulfield, Hugh J. I Was Born for This Job. March, p103.

Chu Lin, Sam. In the Vortex of Violence: Firefighting Response to the L.A. Riots. October, p38.

Clarke, Patrick K. and David J. Szymanski. Swimming Pool Disinfectants: Bellevue Incident. July, p73.

Cleveland, S. and T. Drehle. Standpipe Roll. (Innovations: Homegrown) February, p60.

Cloutier, Jean-Claude. The Expert Witness. December, p48.

Cogan, Mike and Bob Pressler. Union Square Subway Crash: The Rescues. May, p29.

Colella, Brian A. Truck Company Drills at Acquired Structures. March, p39.

Colletti, Dominic J. Class A Foam for Structure Firefighting. July, p47.

Corbett, Glenn P. Establishing and Maintaining Fire Apparatus Access. (Fire Prevention Bureau) June, p26. Inspecting and Working Places of Public Assembly. (Fire Prevention Bureau) March, p22. Mill Construction. (Sidebar) January, p58.

Craley, D. Michael. Discretionary Function Immunity and Fireground Liability. October, p101.

Damon, Walter A. Testing Building Fire Pumps. March, p83. Testing Building Fire Pumps, Part 2. May, p59.

Davidson, Ricky. All Loaded Up and No Place To Go. July, p33. EMS Points to Ponder. October, p62.

DeBell, Jeffrey K. and Timothy A. Gibbs. Stairwell Marking System. March, p116.

DeLia, Nicholas A. and Kenneth Jeffery. OSHA Compliance: Word to the Wise. March, p75.

Dittmar, Mary Jane. Ownership of the Fire Service: The Privatization Issue. September, p81.

Dolezal, Fred W. Engine Retarder and Manual Brake Limiting Valve Hazards: The NTSB Report. December, p37.

Donahue, Michael L. Effective Anti-Arson Programs. June, p115.

Downey, Ray. National Urban Search and Rescue Network. May, p82. Rescue Points to Ponder. May, p74. Well Rescue: Great Neck, New York. May, p50.

Drehle, T. and S. Cleveland. Standpipe Roll. (Innovations: Homegrown) February, p60.

Dunn, Vincent. Venting Windows at High-Rise Fires. September, p78.

Edwards, C. Bruce. Critical Flow Rate. September, p97.

Faelz, Steve. Using Community Right-to-Know Data. February, p75.

Farmer, Ken. What Is Class A Foam and How Does It Work? (Sidebar) July, p64.

Feagley, Roger. Prefire Planning: Anything But Routine. March, p119.

Fire, Frank L. Chemical Data Notebook Series #68: Fluorine. January, p87; #69: Gasoline. February, p83; #70: Hydrazine. March, p133; #71: Isoprene. April, p87; #72: Argon. May, p87; #73: Epichlorohydrin. June, p125; #74: Arsenic Trioxide. July, p79; #75: Nitric Oxide. August, p77; #76: Ethylene Dichloride. September, p129; #77: Dichlorosilane. October, p107; #78: Propylene. November, p79; #79: Tetrachloroethylene. December, p64. Anatomy of an Urban Myth. August, p59. SARA and the Fire Department. (Sidebar) February, p81.

Fisher, Jim. Miami's Hazardous-Materials Response Vehicle. October, p93.

Fornell, David P. Understanding Turnout Technology: A Matter of Health and Safety. June, p105.

Forrest, Jim and John C. Burkush. Preplanning for Apartment Complex Response. January, p67.

Gaade, Rem. Preplanning Confidential or Diplomatic Facilities. May, p79.

Gibbs, Timothy A. and Jeffrey K. DeBell. Stairwell Marking System. March, p116.

Goldfeder, William. Volunteers Corner: Implementing Safety Programs. July, p10; Retaining and Recruiting Members. May, p10; Using Volunteers in Inspection Programs. November, p10.

Gustin, Bill. Cutting Reinforced Concrete. August, p32. Fire in the Hold: Shipboard Drill. April, p41.

Haase, Rick. Structure Fires in Industrial Parks. (Training Notebook) July, p14. Successful Public Education. (Volunteers Corner) December, p10.

Hermann, Stephen L. Call the Haz-Mat Experts. (Training Notebook) March, p16. Has the Army Found a Better Way to Train? (Training Notebook) November, p16. What We Didn't Learn from the Waverly Tragedy. February, p62.

Woodbury, Howard Jr. Rapid-Deploy and Storage Mechanism for Air-Bag and Tool-Supply Hoses. (Innovations: Homegrown) March, p100.

SUBJECTS

Apparatus

Amertek recalls vehicle. (News in Brief) December, p26.
Antilock Braking Systems. William C. Peters. (Apparatus: The Shops) October, p22.
Diesel Soot: An Exhausting Problem. William C. Peters. March, p47.
Emergency vehicle technicians form association. (News in Brief) January, p22.
Engine Retarder and Manual Brake Limiting Valve Hazards: The NTSB Report. Fred W. Dolezal. December, p37.
EVS issues advisory of apparatus recalls. (News in Brief) August, p22.
Fire Apparatus Electrical Overloads: A Real Balancing Act. William C. Peters. August, p39.
Is Refurbishment Right for You? William C. Peters. October, p47.
Miami's Hazardous-Materials Response Vehicle. Jim Fisher. October, p93.
Placement of Ladder Apparatus. Frank C. Montagna. (Training Notebook) October, p14.
Refurbished Van Becomes Support Vehicle. Chris B. McDonald. (Innovations: Homegrown) February, p59.
Update on fire apparatus. (News in Brief) January, p19.
Water Tanks for Apparatus. Gene P. Carlson. (Volunteers Corner) October, p10.
Writing Specifications for ARFF Vehicles. John N. Carr and Leslie P. Omans. June, p85.

Budget and Finance

Corporate Contributors. Peter G. Sparber. (Capitol Connection) October, p26.
Fire Department, Inc. Dennis Murphy. May, p41.
Is Refurbishment Right for You? William C. Peters. October, p47.
Marketing Your Department. Tim Parker. (Volunteers Corner) September, p10.
New York's Emergency Service Loan Bill amended. (News in Brief) October, p30.

Building Construction

Concrete column fire resistance study underway. (News in Brief) July, p26.
Fire in Mill Construction: Breeding Ground for Conflagration. James Winward and Pat Campanaro. January, p50.
How the Spring Wood Floor Would Be Treated Under Existing Codes. John B. O'Reilly. (Sidebar) July, p44.
Let's Calm Down the Firefighters. Francis L. Brannigan. October, p79.
Lumberyard in a Gym Floor. J. Curtis Varone and Paul Wentworth. July, p39.
Mill Construction. Glenn P. Corbett. (Sidebar) January, p58.
Near-Collapse at the Fire Station. Richard A. Marinucci. October, p67.
Safety at Building Structural Fires. Francis L Brannigan. (Training Notebook) February, p14.
USDA funds truss project. (News in Brief) March, p26.
Venting Single-Ply Roofs. Tony Papoutsis and Scott Reichenbach. February, p29.

Communications

Day in the Life, A. Francis X. Holt. January, p71.
Documentation Dilemma, The: One Solution. Jeff Bankston. January, p81.
FCC ruling "major victory" for fire service. (News in Brief) April, p26.
How to Ruin a Dispatcher. Francis X. Holt. September, p111.
Shared Dispatching Revisited. Francis X. Holt. January, p33.
TDD/9-1-1 ADA requirements clarified. (News in Brief) July, p24.
Trunking Radio Communications Systems. Ed Spahn. January, p61.
"Zero" Response Time: Creating a Modern Medical Dispatching Program. Randall D. Larson. July, p67.

Disaster Management

Emergency public information program. (News in Brief) November, p22.
FDMATs among responders to disaster exercise. (News in Brief) March, p28.
FEMA requests $819 million for 1993 budget. (News in Brief) May, p22.
FEMA taps experts for urban wildfire project. (News in Brief) May, p23.
Fire Department Preparedness: Results of a National Survey. James Campbell. November, p39.
Health-Care Facility Preplans. John J. Murphy, Jr. June, p75.
Missouri TRANSCAER workshop. (News in Brief) September, p30.
National Urban Search and Rescue Network. Ray Downey. May, p82.

Emergency Medical Services

All Loaded Up and No Place To Go. Ricky Davidson. July, p33.
DMATs among responders to disaster exercise. (News in Brief) March, p28.
EMS infection-control guide. (News in Brief) July, p26.
EMS Points to Ponder. Ricky Davidson. October, p62.
EMS public education kit. (News in Brief) December, p27.
Fire Department, Inc. Dennis Murphy. May, p41.
Status of EMS-related legislation. (News in Brief) July, p24.
USFA, NHTSA initiate EMS public education program. (News in Brief) February, p22.
"Zero" Response Time: Creating a Modern Medical Dispatching Program. Randall D. Larson. July, p67.

Extinguishing Agents

Class A Foam for Structure Firefighting. Dominic J. Colletti. July, p47.
Du Pont to phase out halon in 1992. (News in Brief) September, p28.
Halon debate continues. (News in Brief) January, p23.
Pros and Cons of Class A Foam, The. Mike Brackin, et al. July, p59.
What Is Class A Foam and How Does It Work? (Sidebar) Ken Farmer. July, p64.

Fire/Incident Reports

Denver's Polo Club Condo Fire: Atrium Turns High-Rise Chimney. David M. McGrail. March, p66.
Derailment at Seacliff. Mike Proett. April, p56.
Fire in Mill Construction: Breeding Ground for Conflagration. James Winward and Pat Campanaro. January, p50.
Flammable Liquids in Transit: Tanker Fire in Branson, Missouri. Ted Martin. February, p47.
In the Vortex of Violence: Firefighting Response to the L.A. Riots. Sam Chu Lin. October, p38.
Lumberyard in a Gym Floor. J. Curtis Varone and Paul Wentworth. July, p39.
Pennsylvania Collapse Kills Four. John Stankiewicz. June, p92.
Preplanning Pays Off in Buffalo Church Fire. Mike Lombardo. December, p41.
Return to Runway 13-31. Edward C. Butler. September, p43.
Sprinkler Shutdown and Salvage Work Spell Destruction: The WCI Fire, Manitowoc, Wisconsin. Charles T. Herzog. November, p31.

Swimming Pool Disinfectants: Bellevue Incident. Patrick K. Clarke and David J. Szymanski. July, p73.
Swimming Pool Disinfectants: Haz-Mat Toy Store. John B. Sachen. July, p73.
Union Square Subway Crash: The Rescues. Mike Cogan and Bob Pressler. May, p29.
Well Rescue: Great Neck, New York. Ray Downey. May, p50.
What We Didn't Learn from the Waverly Tragedy. Stephen L. Hermann. February, p62.

Fire Investigation

Expert Witness, The. Jean-Claude Cloutier. December, p48.
Fire investigation data needed. (News in Brief) March, p30.
Intent to harm firefighters factor in arson conviction. (News in Brief) June, p34.
NAFI adopts NFPA 921 and 907. (News in Brief) December, p26.
Safety in Investigation. John R. McDermott. (Training Notebook) December, p14.
"Swiss Nanny" Trial: Fire Investigation Key to the Case. Peter R. Vallas, et al. December, p31.

Fire Prevention

Arson rise in Northeast attributed to weak economy. (News in Brief) October, p30.
Austin Fire Department marketing program cited. (News in Brief) February, p21.
Babysitter Education Course. Larry Radtke. (Volunteers Corner) April, p10.
Change Clock, Change Battery "drill" planned. (News in Brief) September, p28.
Christmas Tree Burns: Raising Public Safety Awareness. Stephen F. Hume. December, p46.
City of Arlington issues press kit. (News in Brief) June, p39.
Community Outreach Program, A. John J. Skarbek. January, p79.
Doorknob Signs for Easier Address I.D. Lyle W. Marvin, Jr. (Innovations: Homegrown) February, p61.
Effective Anti-Arson Programs. Michael L. Donahue. June, p115.
ESL issues safety notice. (News in Brief) February, p18.
Establishing and Maintaining Fire Apparatus Access. Glenn P. Corbett. (Fire Prevention Bureau) June, p26.
Fire Prevention Week kit. (News in Brief) September, p28.
Fire Safety House saves lives. (News in Brief) January, p16.
Fire safety program based on game format. (News in Brief) March, p26.
Firefighters: Community's Information Source. Gene P. Carlson. (Volunteers Corner). June, p10.
FME&R awards 37 arson-prevention grants. (News in Brief) February, p22.
Health-Care Facility Preplans. John J. Murphy, Jr. June, p75.
IAFC and NCMA target fire safety in buildings. (News in Brief) January, p22.
Inspecting and Working Places of Public Assembly. Glenn P. Corbett. (Fire Prevention Bureau) March, p22.
NFPA issues winter safety tips. (News in Brief) November, p24.
NFPA warns of fireworks dangers. (News in Brief) June, p36.
Other nations ahead of U.S. in fire safety policies. (News in Brief) May, p23.
SFA launches "Safety Circuit" program. (News in Brief) January, p21.
Spontaneous combustion a laundry-related threat. (News in Brief) May, p16.
Sprinkler Shutdown and Salvage Work Spell Destruction: The WCI Fire, Manitowoc, Wisconsin. Charles T. Herzog. November, p31.
U.S. firefighter deaths decline. (News in Brief) October, p30.
USFA: Smoke detectors double fire survival chances. (News in Brief) March, p28.
Using Volunteers in Inspection Programs. William Goldfeder. (Volunteers Corner) November, p10.
Writing a Local Newspaper Column. Susan Brightmire. (Volunteers Corner) January, p10.

Fire Protection

ADA: Implications for Fire Protection. James G. Munger. April, p69.
AFSA guide available. (News in Brief) November, p22.
Denver's Polo Club Condo Fire: Atrium Turns High-Rise Chimney. David M. McGrail. March, p66.
Electrical cable earns UL two-hour rating. (News in Brief) June, p38.
Establishing and Maintaining Fire Apparatus Access. Glenn P. Corbett. (Fire Prevention Bureau) June, p26.
Flammability guidelines for furnishings. (News in Brief) April, p26.
Health-Care Facility Preplans. John J. Murphy, Jr. June, p75.
How the Spring Wood Floor Would Be Treated Under Existing Codes. John B. O'Reilly. (Sidebar) July, p44.
IAFC and NCMA target fire safety in buildings. (News in Brief) January, p22.
Inspecting and Working Places of Public Assembly. Glenn P. Corbett. (Fire Prevention Bureau) March, p22.
Light bulb and aerosol insecticide foggers linked to fires. (News in Brief) November, p22.
Need for fire protection engineers. (News in Brief) October, p30.
NFPA 25 mandates inspections of water-based systems. (News in Brief) June, p36.
NFSA lists key selling points for industrial sprinklers. (News in Brief) June, p38.
NFSA offers NFPA 25 inspection forms. (News in Brief) November, p24.
NRC's NFL adopts strategic plan. (News in Brief) October, p32.
Office sprinklers finding favor in Houston. (News in Brief) July, p28.
Other nations ahead of U.S. in fire safety policies. (News in Brief) May, p23.
Pennsylvania Collapse Kills Four. John Stankiewicz. June, p92.
Preplanning for Apartment Complex Response. John C. Burkush and Jim Forrest. January, p67.
Rural America Burning. Steve Meyer. October, p55.
Sprinkler Shutdown and Salvage Work Spell Destruction: The WCI Fire, Manitowoc, Wisconsin. Charles T. Herzog. November, p31.
Sprinklers saved property in L.A. riots. (News in Brief) December, p27.
Stairwell Marking System. Jeffrey K. DeBell and Timothy A. Gibbs. March, p116.
Testing Building Fire Pumps. Walter A. Damon. March, p83.
Testing Building Fire Pumps, Part 2. Walter A. Damon. May, p59.

Firefighting Basics

"Bread and Butter Operations": The 2½-Story House Fire: Part 1—Size-Up. Bob Pressler. September, p67.
"Bread and Butter Operations": The 2½-Story House Fire: Part 2—Engine Company Operations. Bob Pressler. October, p72.
"Bread and Butter Operations": The 2½-Story House Fire: Part 3—Truck Company Operations, First-Floor Fire. Bob Pressler. November, p68.
"Bread and Butter Operations": The 2½-Story House Fire: Part 4—Truck Company Operations, Continued. Bob Pressler. December, p56.
Case for an Extinguisher, A. Tom Brennan. (Random Thoughts) April, p102.
Cellar Pipes and Bresnan Distributors: Aces in the Hole. George Howard. (Training Notebook) August, p12.
Continuing at the Rear. Tom Brennan. (Random Thoughts) October, p124.
Critical Flow Rate. C. Bruce Edwards. September, p97.
Cutting Flat Roofs. Tom Brennan. (Random Thoughts) May, p102.
Fire Focus. Tom Brennan. February, p72.
Fire Focus. Tom Brennan. May, p54.
Fire Focus. Tom Brennan. July, p70.
Fire Focus. Tom Brennan. September, p108.
Get the Rear! Tom Brennan. (Random Thoughts) September, p164.
Health and Safety at Wildland Fires. William C. Putt. June, p60.
High-Rise Residence Buildings. Tom Brennan. (Random Thoughts) January, p176.
High-Rise Residence Buildings, Continued. Tom Brennan. (Random Thoughts) February, p94.
I'll Just Throw Up a Ladder and Get Them! Tom Brennan. (Random Thoughts) June, p150.
I'll Just Throw Up a Ladder and Get Them, Continued. Tom Brennan. (Random Thoughts) July, p94.

More on Myths. Tom Brennan. (Random Thoughts) March, p182.
More on Stairs. Tom Brennan. (Random Thoughts) December, p88.
Placement of Ladder Apparatus. Frank C. Montagna. (Training Notebook) October, p14.
Practical Approach to Large-Diameter Hose, A. William C. Peters. January, p42.
Realistic Training Exercises. Jerry Knapp. (Volunteers Corner) March, p10.
Rear of the Fire, The. Tom Brennan. (Random Thoughts) August, p94.
Search and Rescue Maze. Joe Schumacher. (Innovations: Homegrown) March, p98.
Search Rope, The. George Howard. (Training Notebook) January, p12.
Size-Up: An Ongoing Process. Craig Shelley. (Training Notebook) September, p16.
Stairs. Tom Brennan. (Random Thoughts) November, p96.
Truck Company Drills at Acquired Structures. Brian A. Colella. March, p39.
Venting Single-Ply Roofs. Tony Papoutsis and Scott Reichenbach. February, p29.
Venting Windows at High-Rise Fires. Vincent Dunn. September, p78.

Hazardous Materials

Anatomy of an Urban Myth. Frank L. Fire. August, p59.
Call the Haz-Mat Experts. Stephen L. Hermann. (Training Notebook) March, p16.
Chemical Data Notebook Series #68: Fluorine. Frank L. Fire. (Hazardous Materials) January, p87.
Chemical Data Notebook Series #69: Gasoline. Frank L. Fire. (Hazardous Materials) February, p83.
Chemical Data Notebook Series #70: Hydrazine. Frank L. Fire. (Hazardous Materials) March, p133.
Chemical Data Notebook Series #71: Isoprene. Frank L. Fire. (Hazardous Materials) April, p87.
Chemical Data Notebook Series #72: Argon. Frank L. Fire. (Hazardous Materials) May, p87.
Chemical Data Notebook Series #73: Epichlorohydrin. Frank L. Fire. (Hazardous Materials) June, p125.
Chemical Data Notebook Series #74: Arsenic Trioxide. Frank L. Fire. (Hazardous Materials) July, p79.
Chemical Data Notebook Series #75: Nitric Oxide. Frank L. Fire. (Hazardous Materials) August, p77.
Chemical Data Notebook Series #76: Ethylene Dichloride. Frank L. Fire. (Hazardous Materials) September, p129.
Chemical Data Notebook Series #77: Dichlorosilane. Frank L. Fire. (Hazardous Materials) October, p107.
Chemical Data Notebook Series #78: Propylene. Frank L. Fire. (Hazardous Materials) November, p79.
Chemical Data Notebook Series #79: Tetrachloroethylene. Frank L. Fire. (Hazardous Materials) December, p64.
Derailment at Seacliff. Mike Proett. April, p56.
Field Transfers: Drums. John B. Sachen. April, p67.
Flammable Liquid Releases from MC-306 Tankers: An Overview. John B. Sachen. February, p51.
Flammable Liquids in Transit: Tanker Fire in Branson, Missouri. Ted Martin. February, p47.
Forming an Environmental Task Force. James J. Kerrigan. November, p65.
Miami's Hazardous-Materials Response Vehicle. Jim Fisher. October, p93.
New plan reduces hazards of Class IIIB liquids. (News in Brief) February, p18.
Plugging and Patching Plastics. Philip Silensky. February, p39.
SARA and the Fire Department. Frank L. Fire. (Sidebar) February, p81.
Swimming Pool Disinfectants: Bellevue Incident. Patrick K. Clarke and David J. Szymanski. July, p73.
Swimming Pool Disinfectants: Haz-Mat Toy Store. John B. Sachen. July, p73.
Swimming Pool Disinfectants (sidebar). John B. Sachen. July. p76.
Understanding Department of Defense Fire Symbols. William R. MacGregor. March, p125.
Using Community Right-to-Know Data. Steve Faelz. February, p75.
